Microtones (for Strings, Flute, Clarinet, and Voice)

Microtones do not have to be an exact quartertone, they can be very loosely estimated. You do not need to match microtones with the other players

Voice:

Sing without vibrato as much as possible/comfortable.

The vowels in the piece are from IPA. Below is a chart of the vowel sounds used in the piece, in order of their appearance. Audio examples can be found here: https://en.wikipedia.org/wiki/IPA_vowel_chart_with_audio

ʌ – “cut”
ɑ – “hard”
ɛ – “head”
ə – first syllable in “about”
ɒ – “dog”
ʊ – “look”
u – “use”
a – “car”
i – “we”

Flute and Clarinet:

For the flute and clarinet microtones, you can choose to use alternate fingerings, or bend the pitch, depending on your preference.

Piano:

Harmonics:

Piano harmonics are notated with the note to be held down, and the sounding pitch in parentheses, like so:

Only two harmonics are used in the piece. The nodes for both should be fairly close to the fingerboard. I suggest putting masking tape on the string at the node.

Resonance:

Hold down the piano note for as long as written. Ties to nothing indicate that piano should be left to fade out, possibly with pedal, which you should use at your discretion.

Vibraphone:

You will need a bow, and some medium-hard mallets.

Resonance:

Generally all notes should be left to ring. Use pedal at your discretion, taking into account the lengths of notes and ties.

Strings:

Vibrato:

Play without vibrato.

Harmonics:

Natural harmonics are written with only the sounding pitch.

Bow Changes:

You can change the bow if necessary during a long tied note, but make the change as smooth as possible.

♩ = 72 with expectation and longing

The musical score is for 'The Song of the Shrike' by Charles Ives. It features seven staves: Soprano, Flute, Clarinet in Bb, Violin, Violoncello, Vibraphone, and Piano. The score is in 4/4 time and consists of 32 measures. The key signature is one sharp (F#). The tempo is marked 'Allegretto'. The score includes various musical notations such as notes, rests, slurs, and dynamic markings (mp, p, n). The Soprano part is marked 'senza vib sempre'. The Flute part is marked 'mp' and 'p < mp'. The Clarinet in Bb part is marked 'p < mp' and 'mp'. The Violin part is marked 'senza vib sempre' and 'p < mp'. The Violoncello part is marked 'senza vib sempre' and 'p < mp'. The Vibraphone part is marked 'mp' and 'p < mp'. The Piano part is marked 'mp' and 'p'.
